The Novopro SMS80R studio monitor speaker stands have been designed for ease of use as well as safety. The stand has an integral auto-lock ratchet system which allows you to adjust the height and lock the stand to that height without the usual slipping and hassle of standard monitor stands.

Kit includes the following:
2 x SMS80R monitor speaker stands
1 x allen (hex) key
2 x cable management clips
1 x instruction manual

EAN barcode: 5060473244603
