

Thank you for purchasing the Novopro Laptop Tray 2

This user manual will help you to assemble this product safely & quickly, so please spend a few minutes to read through this assembly information.

Due to continuous product developments, please check for the latest updated version of this product manual at: www.novopro.co.uk

■ Novopro Laptop Tray 2

Step 1

*Please carefully unpack the contents.
Locate the fixings and screw pack, we suggest you lay out the parts on a suitable area so you have these ready for the assembly.*

Step 2

*Attaching the tray to the main arm:
Whilst holding a nut inside the tray arm, slide the bolt through the hole and then tighten with the supplied allen key.
Do this for the top and bottom parts of the arm as shown, then securely push in the plastic end cap onto the tray arm.*

Step 3

*Please ensure that you have selected your preferred tray working angle using the supplied pin bolt.
Tighten all nuts, bolts and screws as required then securely attach the clamp and tighten into place.
Please ensure that a safe and secure working angle is used.
Please remove your equipment from the stand before making any adjustments to the position of the trays.*

All Novopro products are thoroughly QC checked prior to dispatch but should you have any queries or questions then please contact your place of purchase or contact us at: info@novopro.co.uk
