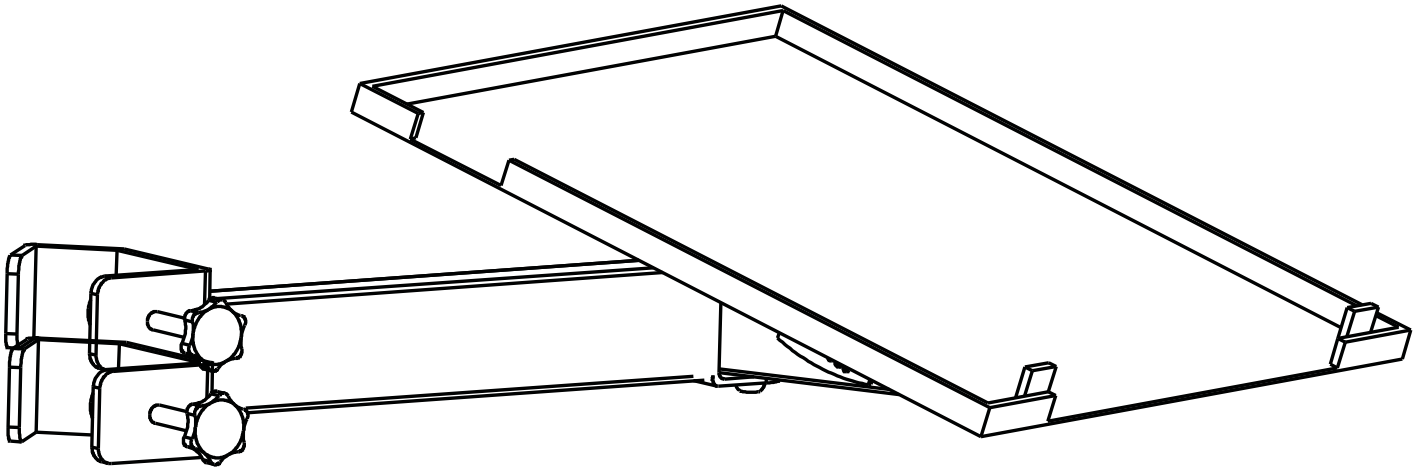
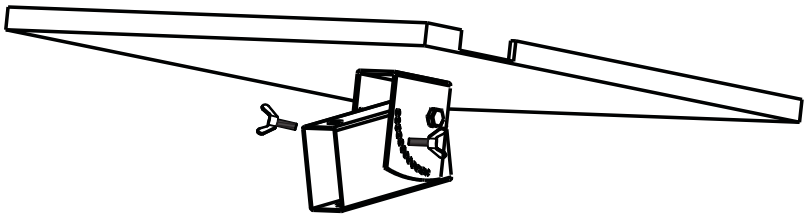
*Thank you for purchasing the Novopro Laptop Tray 1 +*

*This user manual will help you to assemble this product safely & quickly, so please spend a few minutes to read through this assembly information.*

*Due to continuous product developments, please check for the latest updated version of this product manual at: www.novopro.co.uk*

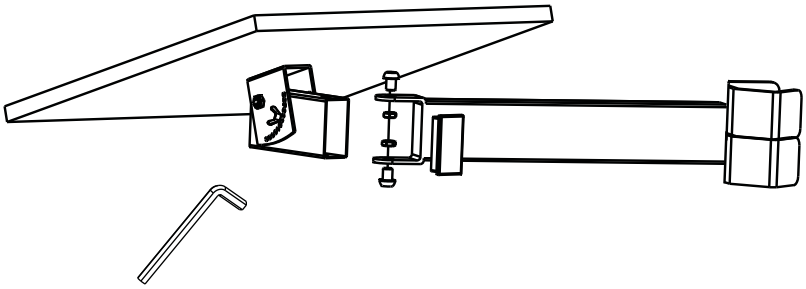


# ■ *Novopro Laptop Tray 1+*



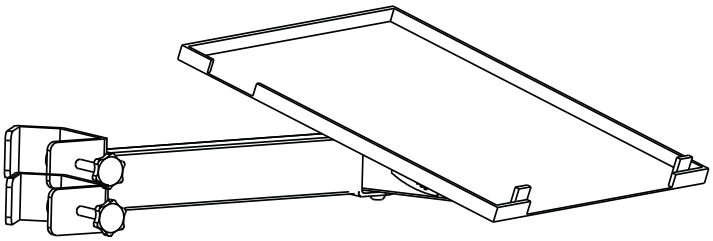
## Step 1

*Please carefully unpack the contents.*
*Locate the fixings and screw pack, we suggest you lay out the parts on a suitable area so you have these ready for the assembly.*



## Step 2

*Attaching the tray to the main arm:*
*Whilst holding a nut inside the tray arm, slide the bolt through the hole and then tighten with the supplied allen key.*
*Do this for the top and bottom parts of the arm as shown, then securely push in the plastic end cap onto the tray arm.*



## Step 3

*Please ensure that you have selected your preferred tray working angle using the supplied pin bolt.*
*Tighten all nuts, bolts and screws as required then securely attach the clamp and tighten into place.*
*Please ensure that a safe and secure working angle is used.*

*Please remove your equipment from the stand before making any adjustments to the position of the trays.*

*All Novopro products are thoroughly QC checked prior to dispatch but should you have any queries or questions then please contact your place of purchase or contact us at: info@novopro.co.uk*

*Novopro is a trade only supplier and only supply wholesale to trade resellers.*
