

Novopro Scrim Black x4 for DJS2 screen

Spare set of four black scrims for the Novopro DJS2 screen

4 x black scrims
Designed to fit the
best selling Novopro
DJS2 screen

- Replacement scrims for DJS2 white aluminium DJ screen*
- May fit many other 1200mm x 700mm screens and booths
- Washable, easy-to-attach scrims
- Treated with a fire retardant finish
- Hand/machine washable at 30 degrees
- (a suitable fire retardant spray must be re-applied after washing)

The DJS2 is the perfect solution to screen your equipment and give a professional appearance to your DJ set-up. Novopro's unique 360 degree folding hinges enable the DJS2 screen to be set up or packed away within seconds. This saves you valuable time at your event - no messing around with the locating pins or clips used on other DJ screens. The sturdy frame is manufactured from lightweight aluminium, giving you a robust yet easily transportable unit.

* Novopro DJS2 obviously not included

Kit includes the following:
4 x black scrim

EAN barcode: 5060473245518

The Novopro logo features the word 'novopro' in a bold, sans-serif font. The 'novopro' part is black, and the 'pro' part is blue. The 'o' in 'pro' is a solid blue circle.

Designed & engineered in the UK by working performers
